

MasterCard Account Updater

New Card? No Problem.

Enjoy automatic updates of payment information when you get a new or reissued card.

The MasterCard® Account Updater will provide you with a seamless transition when your Availa Bank Debit Card expires or is replaced. This service will automatically update the card number and expiration date on file. If you have recurring payments set up using your Debit Card, any of your merchants that participate in this program will automatically receive your updated debit card information.

No more hassle when the following events occur:

- Availa Bank MasterCard Debit Card is reissued due to normal expiration
- Availa Bank MasterCard Debit Card is lost or stolen
- Availa Bank MasterCard Debit Card is compromised

As a cardholder, you can experience:

- An all-in-one account update process
- No unnecessary communication for changes with your card
- Less chance of authorization declines
- Uninterrupted service from merchants who are participating

And when your card expires or is re-issued, you won't have to update your payment information with participating merchants.

- Skip the time and hassle of re-entering or resubmitting your payment info
- Avoid declined payments and service interruptions
- Count on us to keep your card information secure

As of **October 1, 2017**, you are automatically enrolled in MasterCard Account Updater. It's automatic - there's nothing you need to do to initiate this service.

If you wish to opt-out of MasterCard Account Updater, visit or call your local branch and ask to speak to a Personal Banker.
